## PENNANT COMMUNITY CENTRE OPEN WEEKEND

Between 10.00am and 4.00pm, Saturday and Sunday, 27<sup>th</sup> and 28<sup>th</sup> September, 2025, the Community Centre will be open to visitors to see the facilities that are offered at the venue.

The Centre consists of a large hall that can be partitioned into two separate spaces, kitchen, and toilets with a disabled toilet providing baby changing facilities. There is some limited off-road parking.

Visitors will be able to see the fully equipped kitchen, I.T. facilities, projection and sound equipment, indoor games along with banqueting tables and chairs.

The Centre is utilised by local groups and is used as the area Polling Station, meetings of the Community Council, local meetings and for training courses. There have been two weddings held at the Centre, birthday parties, large family gatherings and family Christmas meals.

The facilities are available for hire on a single use or on a regular basis.

Why not come along and see for yourself. This is an ideal local venue to stage your event.

## MacMILLAN COFFEE 'MORNING' EVENTS Pennant Community Centre

**Tea Party** - 2.00pm to 5.00pm Friday 19th  
September, 2025

**Pennant Coffee Morning** -10.00am to 11.00am  
Thursday 25<sup>th</sup> September, 2025

Please come along and support these local events for a good cause.

This is an event that has been on the Community Centre's calendar for many years and will be in the future.

## WORKS AT COMMUNITY CENTRE

The work on installing the Solar Photo Voltaic panels on the roof and installation of the batteries at the Community Centre has not yet been commenced.

When this work is to be done this will probably lead to the Centre being closed as the work will require access to the roof from inside the building. To do this part of the suspended ceiling will have to be removed.

I am trying to arrange a date with the installers so that I can inform everybody and minimise any disruption to events.

## PRESENTATION BY WELSH WATER DWR CYMRU

**10.00am Thursday 9<sup>th</sup> October, 2025**

An email has been received from Welsh Water Dwr Cymru offering a visit to the Community Centre by members of their Community Outreach Team Members, Courtney Miles and Tracey Price. A date has been arranged for the presentation at 10.00am on Thursday 9<sup>th</sup> October.

The purpose of the visit is to look at different ways that we can engage with the community.

Also, the Team are dedicated to helping customers with various schemes to help with their bills by raising awareness on our different schemes and some aimed at improving water efficiency and reducing water bills.

During the visit, they would love to promote these schemes and try to help the members of your community as much as possible

### **More outings for our Coconut Shy**

The Club was out meeting the public at the Aberaeron Vintage Show at Llanerchaeron on Sunday 10<sup>th</sup> August, 2025. This was another fantastic event which in its second year has grown so much. There were over 400 cars, motor bikes and commercial vehicles. The highlight for me being the steam driven 'Tarmac' lorry.

There were excellent local food producers providing the catering along with live music, displays, a large car boot, bouncy castles and our own coconut shy.

The crowds turned out to celebrate all things vintage and classic. Don't miss out on next year's show as it promises to be an even bigger event.

Congratulations to Huw and Gill with the Cardi Cranks members in organising and putting on a great show.

I am sure that you would want to be there next year, Why not make it a family day out or take some friends. Come and see us there and see if you can win a coconut.

On Sunday 25<sup>th</sup> August, 2025, saw an early start in setting up the coconut shy and tombola for Aberaeron Carnival Day. The crowds were out in glorious weather and the organisers said that there were a record number of floats.

Everyone had a great time with all the fun of the fairground rides and stalls.

It was nice to talk to old friends who had expressed some interesting views with regards to Rotary in Aberaeron.

Thank you to Rhodri and the team from the Town Improvements for allowing us to keep our regular pitch for the many years that we have supported this highlight event of the year.

### **(Rotary continued....)**

People were able to see the real face of Rotary in your local Club in Aberaeron.

The funds raised, during these events, will assist groups, projects and individuals in our local communities.

### **ROTARY Dates for September**

## LATEST SCAM

The newsletter editor has recently received three text messages that claim to be from the Department of Work and Pensions (DWP).

The messages stated that I have not applied for my Winter Fuel Payment and should follow a link to make my claim.

I have accessed the Government site in order to see if I was required to submit a claim for the Winter Fuel Payment. You can get a Winter Fuel Payment if you were born before 22<sup>nd</sup> September 1959 and live in England or Wales.

You do not need to make a claim if you get any of the following:

State Pension; Pension Credit; Universal Credit; Attendance Allowance; Personal Independence Payment (PIP); Carer's Allowance; Disability Living Allowance (DLA); Income Support; income-related Employment and Support Allowance (ESA); income-based Jobseeker's Allowance (JSA); awards from the War Pensions Scheme; Industrial Injuries Disablement Benefit; Incapacity Benefit; or Industrial Death Benefit

If you do not get any of these, you need to claim if either of the following apply:

You've not got the Winter Fuel Payment before;  
You've deferred your State Pension since your last Winter Fuel Payment.

## RECENT UK SCAMS

These include fake job offers on WhatsApp, phishing texts and emails impersonating banks, government bodies like DWP and HMRC, and impersonations of celebrities in social media ads. Other scams involve rogue traders, investment scams, and "quishing" (QR code-based phishing). To avoid scams, never click links in suspicious messages, do not share personal or financial details, and always verify information through official channels.

### Common Scams

**Impersonation Scams:** Fraudsters are sending texts and emails pretending to be from banks, energy companies, or government agencies like DWP or HMRC, urging you to click a link or provide personal information.

**Job Scams:** You may receive messages on platforms like WhatsApp or social media offering seemingly legitimate jobs with high pay, which are in fact a scam.

**QR Code (Quishing) Scams:** Scammers use fraudulent QR codes on posters or digital displays, which can lead to phishing websites or malware when scanned.

**Investment Scams:** Bogus investment schemes, including those for rare earth metals or carbon credits, continue to target residents, sometimes writing to victims who have already been scammed.

**Rogue Traders:** Be wary of unsolicited calls or visits from individuals claiming to offer services like driveway cleaning or home improvements, as they can be rogue traders.

### How to Protect Yourself

Never click on links in suspicious texts, emails, or messages, especially those requesting urgent action or personal details.

**Verify Information Directly:** If you receive a message from a bank or government body, contact them directly using official phone numbers found on their legitimate website.

**Be Skeptical:** If an offer seems too good to be true, it probably is.

**Do Not Share Details:** Never share your bank details, card details, passwords, or other personal information via text, email, or on unsolicited calls.

## **THE CARDI CRANKS CLASSIC VEHICLE CLUB** **2026 - Fundraising Tractor Drive in Aid of Cancer Research Wales** **Ymchwil Canser Cymru**

The Cardi Cranks CIC are a community interest group of over 70 members with a shared interest in classic and vintage vehicles. Every year the club hosts an annual show at Llanerchaeron and raises funds for charity. The growing popularity of the club has seen us building on our ambitions and we have held a range of events throughout the year. Our biggest challenge to date has been our plans to raise significant funds for Cancer Research Wales by investing in two rather dilapidated little grey Fergie T20 tractors. The club have spent the Spring months restoring the tractors, drawing on the skills of the club members they have diligently breathed life back into the two tractors now fondly known as Sion a Sian. The plan is to raise awareness and start raising funds throughout the summer months and then in June next year, which will be the 60th Anniversary of Cancer Research Wales, our two little tractors will embark on a mammoth drive. Both tractors will depart from Caernarfon Castle and one tractor will take a coastal route down the West of Wales and the other will take a central path heading down through Builth Wells and both tractors will meet again as they arrive in Cardiff at the Castle.

Our aim currently is to begin raising funds but also to raise awareness of our intentions. We want to get the public behind our project and cheering us on.

We have chosen Cancer Research Wales as the charity we want to support this year because the work they do will benefit local people here in Wales. They are instrumental in funding research here in Wales and their work means that Welsh people are offered opportunities to access trials that can potentially prolong, prevent or even cure cancer.

Statistics tells us the numbers of people in our communities, our families, our loved ones, who are impacted by this cruel disease, that knows no sympathy for age, class or gender. When cancer touches our lives, we know it will be a battle, and we want to offer the weapons to beat it. The Cardi Cranks mission is to raise significant funds and give everyone who donates the opportunity to know their gift will be used to fund the fight.

Thank you for your Support
